Re delay in the Submission of Subsidiary returns and Vouchers due from the Dy. Commr., Treasury Department, Mysore.

The Comptroller annexes a list of the Subsidiary returns and Vouchers due from the Dy. Comm. Dep. Depart., Mysore. and States that though several reminders were issued they have not yet been submitted; that this delay retards the work of the Treasury Accounts Department and prevents the final closure of the accounts of the Province & the objection books on the dates prescribed in the Office Manual and causes delay in the despatch of statements & returns due from his office to Govt. dept.; and that as such delays are becoming rather frequent & requests remedial measures such as is contemplated in Art. 1037 clause 6 of the Civil Account Code Vol II viz. the display of the pay of the head of the defaulting office, seem necessary to ensure the punctual despatch of these returns.

Orders to the above effect were ~~are~~ ~~Cordially~~ issued on 9th January 04. In reply, the Dy. Commissioner submits a statement shewing the dates on which some of the accounts were sent to the Comptroller. As regards the delay it is explained that it is owing to the increase of work in the Treasury Deptt and also to the sudden death of an accountant from Hapur in October last. The Dy Commissioner further states that the Try officer has been asked to clear off all arrears soon and that the stoppage of pay as suggested by the Comptroller will be put into effect if there be delays in future.

SIR,

I have the honor to annex a statement showing the subsidiary returns and vouchers due from the Deputy Commissioner, Treasury Department, Mysore from July last, which have not been received up to date. Several reminders were issued on the dates noted in the margin calling for those returns but to no avail. The delay in the receipt of these returns, which I had to bring to the notice of Government on more than one occasion (Vide letters No.6145/1715 & 1077/397 dated 5th May and 18th August '03 respectively) not only retards the work of the Treasury Account Department and indirectly the other Departments of my office but also prevents the final closure of the accounts of the Province and the objection Books on the dates prescribed in the office Manual and causes delay in the despatch of statements and returns due from this office to Government and departmental officers.

Memo No.3 of 7-8-'03 and 8 of 24-9-'03.
Reminder Memo No.8 of 24-9-'03.
Second Reminder No.6 of 15-10-'03.
Third Reminder No.3 of 6-11-'03.

I regret to observe that such delays are becoming rather frequent, and stringent remedial measures such as is contemplated in Art: 1637 Clause 6 of the Civil Account Code Vol:II viz:the stoppage of the pay of the head of the defaulting office, seem necessary to ensure the punctual despatch by the District Treasuries of these returns and the strict enforcement of the orders issued

issued on the subject by Government in Pro: No.286-93/Fl:27 dated 10th July '01 and reiterated in Pro: No.884-5/Fl: of 18-9-'03 and No.R4561-2 dated 12-6-'05.

I have the honor to be,

Sir,
